

# Colorado Consortium for Prescription Drug Abuse Prevention

## 6<sup>th</sup> Annual Meeting

University of Colorado Anschutz Medical Campus  
Skaggs School of Pharmacy

October 25, 2018

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Welcome and Overview of Day's Activities

Rob Valuck, PhD, RPh  
Center Director

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Housekeeping

- Thank you to Etai's for providing breakfast and lunch
- Breakfast: Ed2S lobby
- Lunch: 2<sup>nd</sup> Floor Bridge
- Restrooms: outside auditorium, to the left, down the hall, on the left
- Support and logistics
  - Rosemarie MacDowell
  - Consortium Staff
  - Student Volunteers

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Opening Remarks from our State Partners

- Lindsey Myers, Colorado Department of Public Health and Environment
- Ronnie Hines, Colorado Department of Regulatory Agencies
- Robert Werthwein, Colorado Department of Human Services, Office of Behavioral Health
- Cathy Traugott, Colorado Department of Health Care Policy & Financing
- Cynthia Coffman, Colorado Attorney General

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the

VIEW BY SESSION 2017 Regular Session

SUBJECTS: Health Care & Health Insurance, Human Services

The study committee must review data and statistics on the scope of the substance use disorder problem in Colorado; compile an overview of the current resources available to Coloradoans; review the availability of medication-assisted treatment options and whether pharmacists can prescribe those medications; examine what other states and countries are doing to address substance use disorders; identify the gaps in prevention, intervention, harm reduction, treatment, and recovery resources; and identify possible legislative options to address these gaps.

# Public Awareness Work Group Highlights: Year 5

- Brochure Distribution and Social Media
  - **18,461** brochures distributed since 1/1/2018
  - **10,000** naloxone brochures distributed to Walmart in January
  - **Consortium website** has 7,654 unique page views and 9,966 total page views
  - **Take Meds Seriously website** has had 4,637 unique page views and 5,767 total page views

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Public Awareness Work Group Highlights: Year 5

- STR/Lift the Label
  - Opioid Memorial Wall: The wall stands eight feet tall and 34 feet long, and is constructed of 4,200 pill bottles; each pill bottle represents 10 Americans lost to heroin and prescription opioid overdoses in 2016. Every bottle has an anti-stigma message that encourages hope and recovery. People are able to write on the back of the wall to remember a loved one who has struggled with or lost their life to opioid addiction or to leave a message of support.

# Safe Disposal Work Group: Year 5

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Safe Disposal Work Group Highlights: Year 5

- Continued Expansion of the Household Medication Take-Back Program
  - Increased number of counties served from 43 to 58.
  - Increased number of enrolled collection sites from 77 to 121.
  - Conducted visits to numerous collection sites to assess performance, answer questions and offer advice (56 sites visited to-date).
  - Developed partnerships with local public health agencies, Area Health Education Centers and other locally-based agencies to increase collector enrollment.
  - Passed the 20-ton mark in amount of medications collected.

University of Colorado

# Safe Disposal Work Group Highlights: Year 5

- Continued Take-Back Program Promotional Efforts
  - Conducted a radio and TV public service announcement campaign through the Colorado Broadcasters Association during May and June of 2018.
  - Participated in AmeriCorps community meetings promoting the program and offering advice on safe use and storage of medications.
  - Presented program information at a gathering of the Boulder Rotary Club. Rotary has committed to be a champion for the program through encouragement of prospective collector participation and dissemination of program materials via local pharmacies.
  - Disseminated materials to aid local promotional efforts

Office of the  
Governor

# Safe Disposal Work Group Highlights: Year 5

- Promoted the Take-Back Program with Emphasis on Outreach to Older Adults
  - Conducted an on-line digital and social media ad campaign through Unity Media during May and June 2018. Target audience was 55+ demographic.
  - Greg and Jessica presented an AARP webinar promoting the program, providing background on the opioid crisis and describing the use of Naloxone to reverse opioid overdoses.
  - Greg and Michael presented program information at a meeting of the Area Agencies on Aging.
  - Teaming with the Public Awareness Work Group on the 65+ Task Force. Promoting safe use, storage, and disposal of medications.

University of Colorado

# Harm Reduction Work Group Highlights: Year 5

- WG Rebranding has given many others in the state needed support and validation to go beyond overdose prevention for their communities. The WG has given them a legitimate forum.
- WG goals were expanded to include all harm reduction activities:
  - Naloxone access,...
    - Increased pharmacies with standing orders
    - Increased collaboration with Walmart, Kroger, Walgreens
    - STR funds, naloxone purchases, 3587 of 6500 units of naloxone distributed, 439 reversals since May 1, 2017
  - Syringe access, ...
    - 10 SAP's in the state of Colorado
  - Safer injection, other

# Affected Families and Friends Work Group Highlights: Years 5 & 6

- Began implementing the ***Digital Story Project*** – the creation of 10 stories told and produced by individuals whose lives have been impacted by the opioid epidemic
  - Identified themes and demographic characteristics to be represented in the digital stories
  - Held informational webinar
  - Recruited participants
  - Workshop to be held November 9 - 11.
  - Stories will be shared with Consortium members in early December

# RECOVERY WG: Year 1

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Recovery Work Group Highlights: Year 1

Began as “Recovery Ready Colorado” in 2017

- Currently over 50 work group members
  - People in recovery, allies, recovery community organization leaders
- Passage of **HB18-1003** (5/21/18) gave legislative mandate to:
  - “Develop a strategic plan that addresses the full continuum of recovery services...for individuals who experience substance use disorder”
  - “Develop a definition for recovery residences and issue recommendations regarding whether they should be licensed”
- Colorado Health Foundation funds
  - Assess readiness for recovery support specialists in hospital EDs

University of Colorado  
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Office of the  
Attorney General

Office of the  
Governor

# Recovery Work Group Objectives: Year 2

- Develop “Strategic Plan” for legislature (HB18-1003)
  - Partnering with Office of Behavioral Health
  - State-wide stakeholder and input opportunities
  - Goal for completion: June 30, 2018
- Funding two Recovery Specialist Positions
  - Two hospitals will be awarded 12-months of funding
  - Data collection and evaluation
- Continue to improve public awareness and understanding
  - Unifying Recovery Community Organizations and treatment providers
- Recovery data collection

# Data Work Group Highlights: Year 5

The Data work group's goals for 2017-18 were to:

- Increase the availability and accurate dissemination of indicators related to the health effects of prescription and illicit opioid use in Colorado, such as overdose;
- Provide data and research consultation for the Consortium's individual work groups and the Consortium as a whole;
- Provide a network in which Consortium members can present and elicit feedback from data and research experts on surveillance, program evaluation, preventive strategies, and research.

# PDMP Work Group Highlights: Year 5

## PDMP Integration Status:

- CO Health Facilities *integrated*:

- Kroger
- University of Colorado Hospital
- DOD - US Army MEDCOM Pharmacy
- University Family Medicine Center
- Grand River Medical Center
- CVS Health
- Flatirons Family Pharmacy, Inc.
- Medicity
- Walmart Pharmacy
- Valley-Wide Health Systems, Inc.
- Rocky Mountain Urgent Care
- Quality Health Network, CO
- Green Valley Ranch Medical Clinic & Urgent Care
- Heart of the Rockies Regional Medical Center
- Telluride Regional Medical Center

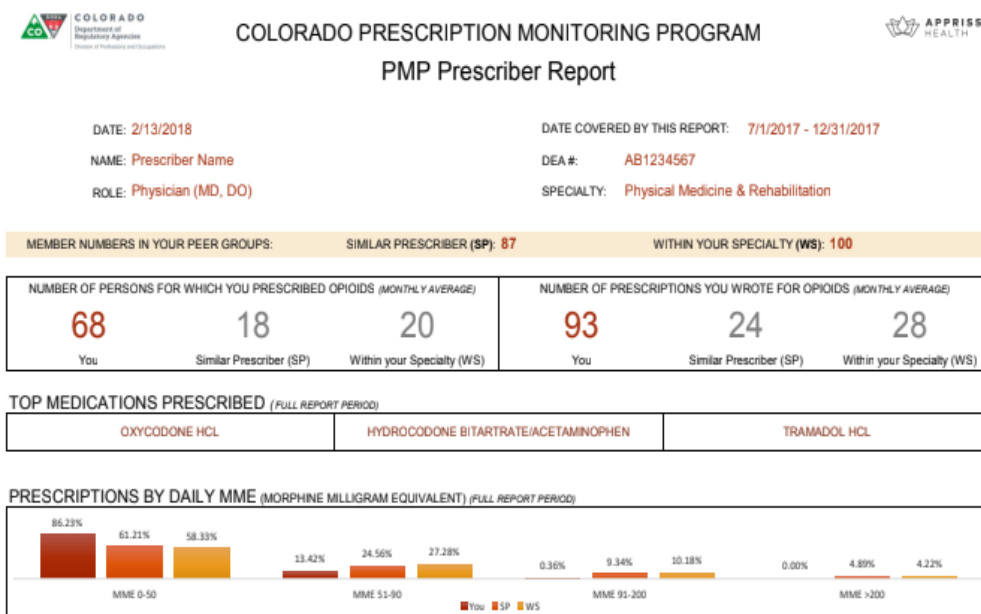

## FY17-18 CO Health Facilities *pending*:

- Pagosa Springs Medical Center
- Springs Midwifery and Women's Care
- Gateway to Success, PC
- David Handley, MD, LLC
- Aspen Surgical Arts,
- Valley View Hospital
- Clinica Campesina/Family Health Services

# PDMP Work Group Highlights: Year 5

- **Provider Report Cards:** WG supported CDPHE application for supplemental PDMP funding to pilot test report cards
  - First report was in 2/18, additional reports: 4/18 and 8/18
  - 83% prescribers felt it was new information
  - 81% prescribers reported that information was useful
  - Most useful metrics reported as:
    - Combo Therapy
    - Multiple Provider Thresholds
  - High recall of receiving the report among:
    - Female prescribers ( $P < 0.001$ )
    - Younger prescribers ( $P < 0.001$ )

# PDMP Work Group Highlights: Year 5

## High Risk Prescribing Practices and Patient Behaviors, Colorado, 2014-2017

Indicators	2014	2015	2016	2017
Patients receiving more than 90 MME (%)	10.3	8.9	8.7	8.2
Rate of multiple provider episodes (rate/100,000 residents)	170.2	124.0	93.6	68.9
Patients prescribed LA/ER opioids who were opioid-naïve (%)	18.2	17.6	15.8	15.1
Patient prescription days with overlapping opioid prescriptions (%)	22.3	21.5	21.4	20.7
Patient prescriptions days with overlapping opioid and benzodiazepine prescriptions (%)	12.1	11.7	11.2	10.1

Schedule 2-4 Controlled Substances

Excludes Buprenorphine drugs commonly used for treatment

Annual percentages are based on average of quarterly percentages
